

PROUD MEMBERS OF OPEIU LOCAL 2

WE ARE ESSENTIAL

**NO STAFF. NO ORGANIZED POWER.
NO PLAN TO WIN.**

**THE NEC
SHOULD**

- Reject drastic staff cuts
- Offer voluntary separation incentives first
- Explore real alternatives to layoffs
- Recognize the essential role staff play in defending and growing the union

**CUTTING
STAFF
MEANS**

- No nationwide union presence, no coordinated organizing to build power, no meaningful presence on Capitol Hill, virtually no legal defense of members' workplace rights
- Weakening the ability to fight for federal workers at the exact moment we need to be strongest
